Monday, 25th January

[padf oot] - (1.34AM):
peter

[wormtail] - (1.35):
he's here again
just sat drawing

[prongs] - (1.35):
he wouldn't jump

[padfoot] - (1.35):
you say that every time james.

and every time he gets up and stands on the railing until his friends come

so obviously he fucking would

[padfoot] - (1.37):
im sorry

[prongs] - (1.38):
you miss him

we all do

it's okay, honest

[padfoot] - (1.38):
sorry.

--

[wormtail] - (2.30):
pandora's here

they're leaving

[padfoot] - (2.31):
okay. thank you

[prongs] - (2.31):
I'll check tomorrow

--

[padfoot] - (9.45):
fuck off

[prongs] - (9.46):
i know it seems bad with snape and all but

maybe remus will talk to us again?

that's got to be worth something

if he sees us all getting along he might wanna be mates again

[wormtail] - (9.48):
that's a risk I'm willing to take

and sirius you can keep an eye on your brother

[padfoot] - (9.48):
I dont 'keep an eye on him'

I just dont want him to die

[wormtail] - (9.50):
right

but it's barty..

isn't he idk crazy

[prongs] - (9.51):
can't be that mad, remus is friends with him

[padfoot] - (9.52):
only because he doesn't have anyone else

[wormtail] - (9.52):
you don't still believe that do you?

remus has loads of friends other than them

[prongs] - (9.52):
peter, leave it

[padfoot] - (9.53):
no
carry on wormtail

[wormtail] - (9.55):
he's been hanging around in the library with your brother

[padfoot] - (9.55):
?
so what
we knew they spoke

[wormtail] - (9.55):
and snape.

[padfoot] - (9.56):
oh for fucks sake.

what the hell does he see in him?

it's got to be guilt from the prank there's no way it's genuine

[wormtail] - (9.56):
well
they have a lot of common interests

[prongs] - (9.57):
fueling the fire

[padfoot] - (10.00):
oh like fucking what

[wormtail] - (10.01):
books, films, dark arts, potions

[padfoot] - (10.05):
fuck off

remus isn't interested in a creepy way

[prongs] - (10.05):
that is true

[wormtail] - (10.08):
this might be a bit controversial

[padfoot] - (10.10):
here we go.

[prongs] - (10.11):
uhhh

[wormtail] - (10.11):
well

I mean

we all say he has a creepy interest in dark magic

[prongs] - (10.11):
oh no

[wormtail] - (10.11):
and I know he said some odd stuff about wanting to take over the wizarding world

but he was like 11

should we really be holding it over him?

[wormtail] - (10.12):
none of us have spoken to him long enough to really understand why he likes it

and remus likes it too so it feels a little hypocritical no?

[padfoot] - (10.15):
if you want to go be friends with remus and his new friends then go do that please peter just rip the bandaid off and get it over and fucking done with

[wormtail] - (10.18):
this is why I didn't want to tell you

im not saying I do

im just saying I trust remus' judgement

[padfoot] - (10.20):
you always do, don't you?

[wormtail] - (10.20):
what's that supposed to mean?

[padfoot] - (10.20):
nothing. never mind jeez

[wormtail] - (10.21):
?

Notes:

i decided to make peter less wormy... give him more of a backbone

[prongs] - (16.12):

[lily] - (20.30):
THE ROOMS ARE SO CUTE HELL0

[barty] - (20.31):
goodbye
i dont like mine
the beds nice
the floors nice
the walls are nice
there's just something i find quite fucking disgusting about it
like something about it makes me want to be sick idk

[regulus black] - (20.34):
you're so rude
don't stop

[barty] - (20.34):
okay reggy

[remus lupin] - (20.35):
please don't get him started

[regulus black] - (20.35):
barty i hope you die in your sleep
i hope you wake up paralysed
i hope you jump off the astronomy tower

[barty] - (20.35);
that's your job

[sirius black] - (20.35):
wtf

[lily evans] - (20.36):
omg

[remus lupin] - (20.36):
they speak to each other like that all the time honestly

--
marauders

[padfoot] - (20.37):
he just indirectly directly spoke to me

[prongs] - (20.37):
did he?

[wormtail] - (20.37):
no

[padfoot] - (20.38):
just let me have this

[padfoot] - (20.40):
i have an idea

[wormtail] - (20.41):
this can't be good

[padfoot] - (20.41):
okay
remus is obviously friends with them
if he sees that I'm friends with them and I've actually changed then he'll speak to me again
it's perfect
it's full proof
nothing will go wrong

[wormtail] - (20.42):
are you sure?

[padfoot] - (20.42):
I'm sure
that means we all have to commit
I'll make good with barty or whatever
james you speak to him and snape
and peter you evan and that other guy

[wormtail] - (20.43):
i think evan might hate me
and you do realise barty isn't going to speak to any of us if we aren't on good terms with regulus

[padfoot] - (20.43):
fuck
he definitely hates me
I'm not his biggest fan either

[wormtail] - (20.44):
i think you two could work it out

[padfoot] - (20.44):
so what you're saying is
in order for remus to speak to me
i need to undo all the years of baggage between me and regulus

[wormtail] - (20.45):
you needed to do it anyway
this has to be genuine you guys can't just be nice then make fun of them when they aren't here

[padfoot] - (20.45):
when have we ever done that

[prongs] - (20.46):
yeah
when have we done that

[wormtail] - (20.46):
you two are infuriating

gryffingirls

[marlene] - (18.09):
peter's so cute everyone needs to leave him alone

[lils] - (18.09):
ugh what's going on now

[marlene] - (18.10):
idk sirius just made this joke about peter speaking to pandora

[mary <3] - (18.11):
yeah well sirius is an asshole so
the real issue is that i really fucking miss remus lupin

[lils] - (18.12):
don't even bring him up ill cry
he doesn't even speak to me anymore
when he does it's one worded i thought he was just going through something but then I watched him have a whole conversation with dorcas
it's definitely targeted

[dork] - (18.12):
guess im just different
it's definitely something to do with james and sirius
he kind of speaks to peter still

[lils] - (18.15):
only recently
maybe it's because i still speak to them? idk

[dork] - (18.15):
can i say something and you swear you won't get offended

[lils] - (18.16):
you'll say it anyway

[dork] - (18.16):
i think you kind of enable their behaviour
idk you never really say anything about what they do unless it's directed at snape

they way they treat some people is gross and when i see it i tell them to stop it whilst you look the other way
so i think that's probably why remus is having his little tantrum

[dork] - (18.18):
just a hunch though

[lils] - (18.19):
just a hunch huh?
i guess that makes sense
i honestly just want everyone to get along so i try my best to steer clear out of drama which in itself is quite childish
i guess i also need to take accountability.

[mary <3] - (18.20):
me too
i like to shit on sirius all the time but i'm not that far from him
and also he isn't really that bad in the grand scheme of things

[lils] - (18.21):
yeah
i think we all just need to grow up

[marlene] - (18.21):
i would love to join this cute revelation but im perfect just the way i am x

[lils] - (18.21):
you are
i hate it

[dork] - (18.22):
please do not start making out.
again

[mary <3] - (18.22):
sorry, again?
aaa pandora's asking if I'm free to hang with her and regulus on sunday

[dork] - (18.23):
cute.... can i come

[mary <3] - (18.23):
yesyes
we'll go watch marlene's practice game after

[marlene] - (18.24):
hell yeah
im gonna go beg peter to go make me brownies
--
threeway
[#1 milkshake guzzler] - (18.28):

[cutie pie] - (18.31):
get a grip
also james go kiss snape idk

[jamesy daisy puddin and pie] - (18.31):
now why the fuck would you say something like that

[#1 milkshake guzzler] - (18.32):
because it's funny
you know damn well he has a full on thing for you and you're indulging in it
why

[jamesy daisy puddin and pie] - (18.32):
i didnt indulge in anything and he doesn't have a 'thing for me'
sirius wants to play nice with them all so i am

[#1 milkshake guzzler] - (18.33):
yeah okay jamesy daisy puddin and pie

[cutie pie] - (18.34):
sorry that'll never not be funny

[jamesy raisy puddin and pie] - (18.35):
fanny
read 18.36

[jamesy daisy puddin and pie] - (18.40):
yeah yeah whatever guys

--

[barty] - (21.03):
I'll dance then you run to the speaker
are you with me remus?

[remus] - (21.03):
no.

I am not 'with you'

[severus] - (21.04):
are you guys seriously trying to change the music?
just let her have it
it's her birthday

[remus] - (21.04):

[sirius black] - (21.39):
oh please
you know nothing about regulus
or remus.

[barty] - (21.40):
and the truth finally comes out!
you're jealous.
amusing

[sirius black] - (21.42):
jealous of fucking what?

you make me sick

[barty] - (21.44):
idk
probably that remus speaks to me everyday and he hasn't spoken to you in seven fucking months

[sirius black] - (21.44):
that's none of your concern

[barty] - (21.45):
you make it everyone's concern
all you do is blabber on about it
he finds it fucking annoying by the way

[sirius black] - (21.48):
fuck you.
you've only known him for a couple of months
you don't know anything

[barty] - (21.48):
ha
get a grip
you're an embarrassment sirius black
it's fucking funny

[evan rosier] - (21.49):
you know it's serious when he's calling him his real name

[lily evans] - (22.00):
can someone please tell me sirius didn't just punch barty in the face
please.

[marlene mckinnon] - (22.00):
oh shit.

[the better brother] - (22.01):
are you joking?? where are they!?
for fucks sake

[peter pettigrew] - (22.05):
someone get barty off sirius

[evan rosier] - (22:06):
he is beating his ASS holy shit.
sirius never had a chance
that's inner hatred right there
nvm reggie here to save the day!
oh someone's crying

[peter pettigrew] - (22.07):
you do realise we can all see right

[evan rosier] - (22.07):

it's for people to look back on in the morning

[marlene] - (22.08):

[remus lupin] - (8.51):

[james potter] - (8.52):
im so fucking hungover but what

[regulus] - (8.52):

[james potter] - (8.52):
um
did remus just speak to sirius
am i still drunk

[sirius black] - (8.53):
wait holy shit did you fucking get drunk with snivellus?

[remus lupin] - (8.53):
this is exactly why i dont want to be around you anymore
you're such a dickhead

[lily evans] - (8.53):
okay so i think everyone's a little hungover

[peter pettigrew] - (8.53):
just leave it lily
it's long overdue

[sirius black] - (8.54):
you made fun of him too remus
it wasn't just me
everyone did and now everyone's singling me out like I'm crazy

[remus lupin] - (8.54):
no sirius, everyone else just grew up
no one else but you and james makes fun of snape
you both look crazy to the rest of the school because you're childish
like you act like children
genuinely it's actually so weird

[sirius back] - (8.55):
okay well
it's fucking snape

[lily evans] - (8.55):
sirius stop it
what about all that stuff you told me yesterday?

[peter pettigrew] - (8.56):
lily leave it

[dorcas meadows] - (8.56):
lily stop

[lily evans] - (8.57):
meddle
don't meddle
what do you want from me

[dorcas meadows] - (8.57):
I never once asked you to meddle
did what was said before actually upset you?
why can't no one communicate

[lily evans] - (8.57):
i can communicate
cant I mary?

[mary macdonald] - (8.58):
uh
what's going awn..

[peter pettigrew] - (8.58):
can everyone just chill out??

[sirius black] - (8.58):
oh here we go with you

[remus lupin] - (8.58):
dont be so mean to him

[sirius black] - (9.00):
why do you hate me so much

[remus lupin] - (9.00):
don't be like that
i dont hate you.

[sirius black] - (9.01):
really? then why haven't you spoken to me in more than half a year

[remus lupin] - (9.01):
fine
you want me to fucking speak to you?
wait.

Notes:

okay some notes!

I'd just like to say if it feels like remus is the leader of the (mostly) slytherin group that's definitely not what I'm going for at all. i feel like compared to the marauders (where it kind of does revolve around james and sirius), with them they all just genuinely like each other. i also think they would butt heads a lot and remus' calm attitude radicalised them a lot.

also i dont think I'm going anywhere serious with evan and peter. i dont think they'll be any kind of emotional break throughs like with most of the other couples. unless anyone wants that ofc

i also really dont want this to turn into one of those chatfics that starts focusing on relationships only halfway through so please humble me and lmk if I'm doing that

AND I'd also like to say i don't hate lily. i LOVE lily. she's one of my favs, I just hate how she's presented as like lobotomised in most fics where james is dating someone else some I'm trying to steer clear of that.

+ i honesty believe james doesnt realise he's calling snape snivellus anymore. he's so used to it.

now.... for the next chapter I could either make remus and sirius become friends or hate each other

Chapter 7 (http://archiveofourown.org/works/67482441/chapters/174671821) : ft. house unity!

[padfoot] - (20.53):
yeah yeah
at least remus is speaking to me

[wormtail] - (20.53):
okay but
you do realise in order to be on good terms with remus you'll have to be on good terms with regulus
i think that's what he's trying to tell you
and to be on good terms on regulus you'll need to speak to barty
so
good luck with that one

[padfoot] - (20.54):

[regulus] - (13.01):

--
house unity! <3

[pandora rosier] - (15.06):
hi has anyone seen severus we haven't seen him since yesterday and we're really worried

[sirius black] - (15.08):
he's probably just skivving

[pandora rosier] - (15.08):
?
severus does not 'skive'
i dont think you realise how worrying this is anything could've happened to him

[sirius black] - (15.09):
anything like what

[barty] - (15.10):
maybe you and four eyes decided to curse him and leave him somewhere

[sirius black] - (15.10):
wtf? why would we do that

[barty] - (15.10):
you've done it before.

[james potter] - (15.10):
can we not argue right now?
we need to look for him

[barty] - (15.11):
oh dont pretend to give a shit

[evan] - (15.11):
barty leave it
everyone look and message here if you find him

[peter pettigrew] - (15.11):
oh
i saw him this morning
he was up early he said he was returning a book to the library

[xenophilius lovegood] - (15.12):
alright
to the library!

[peter pettigrew] - (15.25):
pince says he never came to the library
which is weird because they talked about it the day before

[barty] - (15.27):
for fucks sake
someone's cursed him again that's the only explanation

[regulus] - (15.28):
we'll find him
everyone check the usual spots
and ask people if they've seen him

[peter pettigrew] - (16.30):
no one's seen him since yesterday

[dorcas meadows] - (16.31):
amos just told me he saw him this morning

[barty] - (16.31):
who tf is amos

[dorcas meadows] - (16.32):
amos diggory...
he's a hufflepuff
he saw him and he looked like he was on his way to the library
nothing weird about him just normal

[lily evans] - (16.33):
im getting a really bad feeling now
like genuinely

[barty] - (16.34):
great now you'll know how I've been feeling all day

[lily evans] - (16.40):
what are you trying to say barty?
just say it

[barty] - (16.40):
im saying you dont give a shit
that's what im saying
you should just leave him alone

[pete] - (16.40):
let's all just focus on looking for snape please
i bumped into dumbledore and told him about it
and he said 'he'll turn up'

[barty] - (16.41):
that's not surprising
he doesn't care about us

[lily evans] - (16.42):
did he really say that?

[barty] - (16.41):
yes
he hates us slytherins lol

[evan rosier] - (16.43):
LOL
they all do

[remus lupin] - (16.43):
remember when he gave me this random talk about hanging out with the wrong crowd

[evan rosier] - (16.44):
it wasn't random it was right after he first saw us all together
and I feel like that was less house related and more barty smuggling alcohol into school 24/7

[barty] - (16.45):
he doesn't know about that

[evan rosier] - (16.46):
he does.

[remus lupin] - (16.46):
oh he definitely knows.

[barty] - (16.47):
whatever
no proof

[evan rosier] - (16.47):
yeah good luck with that

[remus lupin] - (18.04):
i found him in his bed
he needs to go to the hospital wing.

[regulus] - (20.04):
barty can you just chill out for a minute sev said to leave it

[barty] - (20.04):

mulciber is a slimy little shit for going after him when none of us were there and he's going to pay

[remus lupin] - (20.05):
fuck him up barty

[severus snape] - (20.05):
no
do not 'fuck him up'

[evan rosier] - (20.06):
no i agree with barty
beating you up is really low and if no one does anything now he'll keep on doing it

[severus snape] - (20.07):
ah let him who gives a shit

[pandora rosier] - (20.08):
severus wtf
stop it

[severus snape] - (20.08):
no
they aren't gonna stop so why do i even care anymore
i should just leave school at this point

[evan rosier] - (20.08):
you are not leaving school.

[dorcas meadows] - (20.07):
wait so what exactly happened?

[james potter] - (20.07):
yeah I'm confused too

[severus snape] - (20.08):
i was walking to the library, he cornered me and beat me real bad
it was early in the morning so the hallways were mostly empty
it's kind of funny actually
i stopped walking through empty corridors in the 2nd year and i got humbled really bad because i forgot why i took those precautions in the first place

[sirius black] - (20.08):
i thought that said humped for a second

[james potter] - (20.08):
stfu for a minute sirius

[remus lupin] - (20.08):
and he didn't just punch him a couple of times
he actually beat him up with genuine hatred
he told me he was unconscious for a couple of minutes then got up and walked to the dorm and went to sleep
when i saw him i almost didn't recognise him

[severus snape] - (20.09):
yeah
broke a rib and a wrist

then went for a quick nap

[lily evans] - (20.10):
severus im so so sorry
what a fucking asshole seriously

[barty] - (20.11):
WOAH

[mary macdonald] - (20.12):
that was hot lily say it again

[lily evans] - (20.12):
be quiet mary
where did remus just go

[sirius black] - (20.12):
huh

[barty] - (20.13):
just because someone said his name doesn't mean you need to make a comment

[sirius black] - (20.13):
doesn't it?

-- private messages between james potter and severus snape

[james potter] - (20.10):
hi you there with the gorgeous flair

[severus snape] - (20.10):
what compelled you to just say that to me

[james potter] - (20.10):
idk knew you'd reply

[severus snape] - (20.10):
okay
what do you want

[james potter] - (20.10):
i was gonna say your mum but that feels ill fitting

[severus snape] - (20.11):
yeah okay
what do you want?

[james potter] - (20.11):
can we just talk please
i really need to talk to you

[severus snape] - (20.12):
i remember when i needed to talk to you once
in 3rd year when someone had cursed me with sectumsempra and you made a whole joke about it for 2 months straight

[james potter] - (20.13):
i said i was sorry about that

[severus snape] - (20.14):
was that before or after you pulled all those pranks on me?
because I dont remember.
just admit that you were embarrassed of me
you still are

[james potter] - (20.14):
that's not true!
i bet you haven't told anyone huh?

[james potter] - (20.15):
it's never come up.
you haven't told anyone either

[severus snape] - (20.16):
because it's embarrassing

[james potter] - (20.16):
to tell people you were with me

[severus snape] - (20.17):
no
to tell people that i dated the guy that constantly bullied me on and off for nearly 2 years WHILST he was still bullying me and pretending to be in love with a girl i was best friends with

[james potter] - (20.17):
I'm sorry
I'm sorry severus

[severus snape] - (20.17):
not snivellus?

[james potter] - (20.18):
im sorry
can we talk?

[severus snape] - (20.18):
we just did.

-- private messages between remus lupin and severus snape

[remus lupin] - (20.53):

[evan rosier] - (21.03):

[barty] - (21.04):
shut up

[sirius black] - (21.04):
basically mulciber used to have a really bad bladder problem when he was younger and used to literally wet himself at parties all the time

[regulus] - (21.05):
it was so gross

[pandora rosier] - (21.06):
my parents stopped inviting his family to parties it got so bad..

[sirius black] - (21.06):
he used to walk around smelling like straight up ass

[pete] - (21.07):

[marlene mckinnon] - (21.07):

[sirius black] - (21.10):

[remus lupin] - (21.11):
you mean laxatives?
that's actually really clever

[sirius black] - (21.11):
dont sound too surprised

[barty] - (21.12):
it is surprising
most of your pranks are bullshit no offence but they're shit
also what are laxatives lol

[remus lupin] - (21.12):
basically these muggle pills that make you
you know
relieve yourself

[barty] - (21.13):
wait so he'll shit himself
that's brilliant

[remus lupin] - (21 .13):
we'll give them to him at least once a week and keep it going for like 2 months

[sirius black] - (21.13):
right but where would we even get them from

[barty] - (21.14):
remus knows a guy

[remus lupin] - (21.16):

Wednesday 3rd February,

[regulus] - (1.35AM):

and like
i just remembered how stuck i actually am
like with my family and stuff
what im going to have to eventually do

[barty] - (1.35):
what's wrong reg?
where are you

[remus] - (1.36):
he's not in his bed
astronomy tower?

[pandora] - (1.36):
me and barty will check now

[regulus] - (1.37):
i wish i could be more like sirius
he just does what he wants and questions later
i can't be that brave
he used to protect me and it was like whiplash when he left and my parents focus was all on me
and now i have no one

[pandora] - (1.37):
yeah he's at the tower

[remus] - (1.38):
is he okay??

[barty] - (1.38):
he's in tears
we really need to sort this whole thing out like seriously

[remus] - (1.38):
what with sirius?
im coming up now give me a minute

[barty] - (1.39):
yes with sirius
it's obviously really upsetting him

[pandora] - (1.39):
yeah okay
let's just get him back to the dorm then we can talk about it

[barty] - (1.40):
ugh for fucks sake I'm gonna have to talk to greasefest arent i

[pandora] - (1.40):

if anyone's doing it it's you

[evan rosier] - (1.41):
keep me updated guys im sat with severus he's still asleep

-- private messages between barty crouch jr. and sirius black

[barty] - (5.34):
hey
we need to talk

[sirius black] - (6.00):
oh
like irl?

[barty] - (6.01):
no i might hit you
here's fine
why are you up so early

[sirius black] - (6.01):
dunno i like to hear the birds
what's up?

[barty] - (6.02):
first of all
this is about regulus and we're keeping it at that

[sirius black] - (6.02):
okay.
what about him?

[barty] - (6.02):
when he was first found on the astronomy tower is was by severus
in 4th year
he was going to jump off it
anytime it gets close to the holidays he goes up there and gets really suicidal at the thought of being alone in that house.
he can't stay in that house black. and you're the only person who can get him out so youre going to have to put your big boy pants on and speak to him
i hate to say it but we aren't enough for him, he needs his older brother
even though he'll never admit it, he does. when he's around you he lights up and he really misses you

i could say a lot of awful things about you and how you made him feel all those times you ignored him when you found out he was in slytherin

but im not going to.

all im saying is say something to him please.

he'll say he won't want to hear it but you just need to really push he's stubborn

[sirius black] - (6.11):

okay.

ill talk to him.

-- private messages between sirius black and regulus black

[sirius black] - (9.45am):

hi

[regulus black] - (9.45):

hi yourself

[sirius black] - (9.46):

jeez that was a quick reply

[regulus black] - (10.20):

is this better

[sirius black] - (10.20):

i deserve that

i just wanted to say I'm really sorry regulus

[regulus black] - (10.21):

huh

barty spoke to you didn't he?

[sirius black] - (10.22):

maybe

i was going to speak to you anyway

I'm really sorry about leaving you there and ignoring you

[regulus black] - (10.23):

i don't even care

i needed that apology in first year when the only person i had decided to ignore me because of a fucking house

i had no one

you do understand that right? i had no one

[sirius black] - (10.25):

i know

im so sorry

im really sorry regulus i never should've done it and i regret it so bad

[regulus] - (10.30):

whatever sirius i dont even want to hear it

just leave me alone youve done perfect with that for the last couple of years.

[sirius black] - (10.40):

what are your notes about?

[regulus black] - (10.40):
what?

[sirius black] - (10.40):
your notes
i remember you telling barty you were in the greenhouse doing your notes

[regulus black] - (10.42):
oh
insects
i like to study them

[sirius black] - (10.42):
still?
i remember you read every book on insects in the house back to back

[regulus black] - (10.43):
yeah
i remember when she killed my pet spider
worst day of my life probably

[sirius black] - (10.43):
not when you asked mulciber if he had lice and if you could look at them?

[regulus black] - (10.44):
that was one time and if you tell anyone i will end you

[sirius black] - (10.44):
oh you'll end me??
I'd love to see how that would go down

[regulus black] - (10.44):
you dont think I can? ive been practicing you know

[sirius black] - (10.45):
you've been practicing to end me?
that's not weird at all

and i speak to lily sometimes

[evan] - (12.50):

[barty] - (12.50):

[evan] - (12.50):

[barty] - (12.54):

i just call out bullshit when i see it

[severus] - (12.54):
you must hate looking in the mirror then

[barty] - (12.54):
yeah okay I walked into that one
anyways
i guess sirius is okay sometimes when he isnt being a git which is majority of the fucking time
but i dont like james
at all
nothing could make me like him

[evan] - (12.55):
he is a bit of a cheeky bastard ig

[barty] - (12.55):
the nerve of that guy

why are you on the floor

[severus] - (20.11):
yes, why is he on the floor?

[regulus] - (20.11):
don't deflect

its barty

dont think too much into it

what did you want to tell us?

[pandora] - (20.12):
YES TELL US

[severus] - (20.12):
okay

this is difficult to say so just let me type it all out before you say anything

[evan rosier] - (20.12):
he's just made me turn around

[regulus] - (20.13):
alright

regulus muted barty

[remus] - (20.13):
WAIT LET ME SIT DOWN

[severus] - (20.14):
okay

[severus] - (20.19):
are you sat down or

[remus] - (20.19):
yeah sorry barty sat on me

go on

[severus] - (20.20):
okay

so basically

um

wait okay

right

so

er

[regulus] - (20.21):
sev it's fine just go on

[pandora] - (20.22):
yeah we won't judge!

[severus] - (20.22):
me and james dated throughout the whole of 4th year and most of 5th year then broke up after the prank, then got together for a good while then broke up at the beginning of 6th year

yeah

i know barty dont even start

anyway we were together for a of 4th year, we broke up around the same time the prank happened then got back together a few weeks after it but officially broke up like last year september
so only a couple of months ago
the break up was really bad. i just didnt want to be around him since he kept talking to sirius

it really messed me up for a while since we were really close. i told him everything.

in 4th year he stopped making fun of me but started back up again in 5th year and that's why we kept having problems

this one time i got hit with sectumsempra

he always told me to come to him if anyone cursed me

he was with peter when i found him who literally wouldnt tell anyone but instead of comforting me or anything he made fun of me

for 3 weeks it was the root of him and sirius' jokes so i stopped speaking to him

but when the prank happened he kept checking in on me constantly

he literally would corner me in the corridors and apologise to me and he'd tell everyone to leave me alone

and i know you're all gonna tell me that im an idiot for still having hope but

i dont know

im an idiot

he was really sweet to me i swear I'm not making this up

and now he messages me everyday

and it's always stupid stuff but i obviously still love him

at lilys party i literally made out with him for like 2 hours and he kept blabbering on about how much he loved me and i kept indulging in it like an idiot.

and then not even 8 hours later he's back to calling me snivellus

i just cant keep it to myself anymore

anyway yeah, that's that

severus unmuted barty

[barty] - (20.28):
oh shit

what the fuck

are you okay severus?

you dated james potter??? and made out with him last week?????

[pandora] - (20.28):
barty just screamed

honestly same

i can't believe this

i always thought he looked at you weird!!! i thought i was CRAZY

i can't believe this

right under my nose

usually i can tell

[evan] - (20.29):
don't flatter yourself

also what the actually fuck.

[remus] - (20.30):
you guys dated for a whole YEAR

what.

no way

that's actually insane

he's such an asshole for treating you that way whilst dating you

[regulus] - (20.31):
wait huh

what

JAMES?

you love him?

that's a strong word

[severus] - (20.32):
i know

i mean it too that's the worst part

he literally wont stand up to sirius

ive seen him tell peter to leave me alone before

but when it's sirius it's all shits and giggles

[barty] - (20.33):
he's being an asshole

what a dickhead

[severus] - (20.34):
he let me stay at his house during the holidays whenever i was having a bad time

he kissed all the scars on me and told me he loved me

and then he'd laugh in my face whenever sirius was around

it was so embarrassing and i just kept going back to him because in private he'd worship the ground i walked on

i don't want it to be like that again

im just looking for advice i guess

[barty] - (20.36):
you deserve way better than that fucking douchebag

but you obviously want him for some reason

so im just gonna say

if you're gonna take him back he should prove himself first

don't let him mess you around again

[remus] - (20.37):
and don't let him guilt you into it

sirius needs to be humbled so bad the way he swings his dick around is so irritating

[evan] - (20.37):
why are you suddenly talking about his dick remus

[remus] - (20.38):
IM NOT

i'm just saying

if james doesn't stick up to sirius then he hasn't changed and you shouldn't take him back

[barty] - (20.38):
yeah yeah

[severus] - (20.40):
also my dads taking me out of school.

Notes:

i'm gonna focus on severus for the next few chapter because he's my fav

Chapter 14 (http://archiveofourown.org/works/67482441/chapters/179483216) : ft. sev protection squad

Notes:

i love all your comments!! thank you so much for leaving them :)

[barty] - (20.40):
what the fuck do you mean by that severus snape

sev?

what do you mean

[pandora] - (20.40):
no.

[regulus] - (20.41):
no

that's not happening

he can't do that

not now

right?

[remus] - (20.41):
woah what

sev are you actually being serious

[evan] - (20.42):
he is

alright i think everyone should come over here and we can just talk about this tomorrow

he isn't on his phone anymore

[remus] - (20.43):
alright, we'll be there soon

—

Thursday 4th February,

barty made a gc called sev protection squad

barty added regulus

barty added pandora

barty added remus

barty added evan

barty added james

[regulus] - (8.42):
okay

so we've obviously got a pretty big situation here as severus can't stay with his dad

also what is that name barty you're so gay

[barty] - (8.42):
you just can't help yourself can you

[james] - (8.43):
why am i in this lol

[regulus] - (8.44):
can you please not act like a dickhead?

this is serious

[james] - (8.44):
im not trying to

what's happening

[barty] - (8.45):
sev's dad is taking him out of school end of february

[james] - (8.45):
what

for how long?

[barty] - (8.46):
forever

we're trying to stop that

[james] - (8.46):
wait what? sev wouldn't want that

he doesn't does he?

[pandora] - (8.47):
obviously not

[barty] - (8.47):
it makes me sick that you call him that

[regulus] - (8.47):
he doesn't want it but he won't do anything about it

maybe we can convince him

[james] - (8.48):
nope

when it comes to his dad he won't ever stick up to him

[barty] - (8.48):
have a little faith in him

[james] - (8.49):
im telling you there's no way he'd do it

it's a fact

even the mention of it makes him feel sick so don't ask him to

[regulus] - (8.49):
okay then what's your idea?

[james] - (8.50):
im still thinking

[barty] - (8.51):
for fucks sake

why is he even in this?

[evan] - (8.51):
he knows more about his dad that we do

severus told us you've helped him before?

[james] - (8.52):
yes i have.

and the only reason he wants him to stay is to use him as a punching bag

that's the only thing i can think off

[regulus] - (8.52):
wait what he hits him? i thought it was just the lack of money and not letting him outside thing

[james] - (8.53):
that is barely anything in comparison

yes his family is poor but is dad is too drunk to get a proper job

he'd starve him all the time and make him wear clothes with holes in them

and just throw him around

his mum left in 2nd year i think

she was gonna take him but didn't

she made a name for herself with the muggles, he sends her letters all the time but she never replies

[regulus] - (8.53):
so you knew his dad hit him and you let him go back?

[james] - (8.54):
are you kidding?

the first time i got him out i had to physically carry him because he refused

the second time i practically dragged him out

when i went to go to dumbledore about it he was so dismissive and sev didn't speak to me for a month

he can't leave he doesn't want to

so if we're doing this it's going to have to be behind his back

[regulus] - (8.55):
okay

behind his back

great

how do you expect us to do that?

[james] - (8.56):
i don't know.

but he isn't stepping foot in that house ever again.

[regulus] - (12.39):

wallowing starts at 1 in the dorm

[pandora rosier] - (12.42):

[severus snape] - (12.43):

[evan rosier] - (12.43):
yeah pandora you fucking alcoholic

[pandora rosier] - (12.43):
IT WAS A SUGGESTION IM SORRY.

[barty] - (12.44):

[james potter] - (12.36):

[barty] - (12.37):

[sirius black] - (12.37):

[barty] - (12.38):
i don't give a fuck where she sent it

i really do remus

is that so bad?

[moony] - (12.44):

[padfeet] - (12.44):

[james] - (13.02):
he could stay at my house

[barty] - (13.04):
ah yes

let's put him in a house with the people who used to bully him

no that's great keep going genius

[evan] - (13.05):
i'm not texting about sev when he's literally sat right next to us

[pandora] - (13.05):
he couldn't stay at ours, our parents would actually have a fit.

maybe we could sneak him in and feed him scraps from the basement

[barty] - (13.06):
ignoring that

he couldnt stay with me my dad doesn't even want me there

he wants me out the second i turn 18 help

[regulus] - (13.06):
well, if he stayed at mine my parents would treat him terribly. but they'd let him stay

but i don't want that for him. he deserves better than that.

[barty] - (13.07):
so do you

[evan] - (13.08):
guys seriously he keeps looking at his phone to see if you're texting the group chat stop

[regulus] - (13.24):
it could work though.

[barty] - (13.25):
wtf? no they used to bully him

wonder what they'll do behind closed doors

[james] - (13.25):
shut up barty

you don't know anything about me and him so stop pretending like you've got it all figured out

he may have told you some things but he didn't tell you everything

so just get off my back

i wouldn't hurt him

[barty] - (13.26):
don't believe you.

[remus] - (13.27):
just give him veritaserum or do an unbreakable vow.

[barty] - (13.27):
not everyone is a fucking geek and can whip that potion out of their ass

also who knows how to do an unbreakble vow??

[pandora] - (13.28):
i do

[regulus] - (13.29):
i can

and i can brew the potion

[remus] - (13.28):
me too

[james] - (13.28):
uh

[regulus] - (13.29):
let's assume he passes with flying colours

we'd have to do sirius too

also this is a TEMPORARY solution for him to be out of the house

[james] - (13.30):

i mean he'll be an adult soon

[evan] - (13.30):
shut up james okay? he isn't living with you until he turns 18 jeez

[james] - (13.31):
okay damn

i'm just saying

my parents are really nice

[barty] - (13.32):
why are you such an asshole then

[regulus] - (13.32):
clearly that gene didn't get passed on down to you

jinx

[barty] - (13.32):
JINX

[remus] - (13.33):
that's not how jinx works.

pure bloods make me sick.

[barty] - (13.33):
why do you snog them then

[remus] - (13.33):
never in my life done that

[james] - (13.34):
wait what?

[barty] - (13.34):
can you go jerk off sirius or something i'm not in the mood

[james] - (13.35):
yeah yeah

ha ha

so does that mean you'll have to tell sirius about the whole situation?

[barty] - (13.36):
for fucks sake

can we just get rid of him

[regulus] - (13.37):
no we will not be 'getting rid' of my brother.

[james] - (13.37):
damn forgot you guys were related for a second lol

[regulus] - (13.38):
why would you say something like that?

[barty] - (13.38):
okay let's just stay focused

[regulus] - (13.39):
what has he said about me?

he doesn't consider me his brother does he

i knew it

i told you barty

whatever i don't even care

[james] - (13.40):
no he actually speaks about you all the time

i just meant

you're kind of like the same person sometimes idk

[regulus] - (13.41):

barty, regulus, me, you, remus

all the girls are going to hogsmeade this weekend and idk probably the next

pandora doesn't really have any girl friends so i feel like she should stay with them

it'll be good for her

[severus] - (12.10):
maybe you're right.

what about peter? i know you want him to come

[evan] - (12.11):
no it's cool he doesn't have to i don't mind

[severus] - (12.11):

[evan] - (12.11):

yeah he's right next to me

[severus] - (12.12):

i had a phase in the first year

[sirius black] - (12.33):
same

that time in 4th year me and james made a bet and he lost so he had to play quidditch and after he was all muddy so he took his shirt off and and went under the shower but the water was cold and he hadn't used those showers before so he didn't know how to change it so he turned to me and asked me how it worked so i had to walk up to him and do it for him and our arms touched and he was wet and he was staring at me and i swear i swear he did bite his lip and unfortunately he hasn’t gotten on a broom since then but a boy can dream

[sirius black] - (12.39):
right?

is that what we mean

[barty] - (12.39):
wtf

[peter pettigrew] - (12.40):

[james potter] - (12.43):
how did you know he cried himself to sleep?

[dorcas meadows] - (12.44):
had to fill up some gaps myself

the red eyes in the morning spoke for itself

[regulus black] - (12.45):

[james potter] - (12.45):
WHAT

you two are useless

[james] - (15.37):
i'll speak to him

i'll sit with him on the train my mums usually at the station

[barty] - (15.38):
what the fuck do you mean by that potter?

we only have one shot to convince him and you want to go in and fuck it up? that's low

[james] - (15.38):
i'm not going to fuck it up barty

i swear i won't

not everything i do is a plan to get at severus

[barty] - (15.38):
could've fooled me.

and don't call me that we aren't friends

[james] - (15.38):
what should i call you then? crouch jr?

[regulus] - (15.38):
crouch is fine

anyway i thought you literally said that he wouldn't go

[james] - (15.39):
i know i said that but ill get him to go

i swear

ill send a letter to my parents today, they already know him so they'll be fine with it

me and sirius won't bother him just let me be the one to speak to him

[regulus] - (15.40):
okay.

[remus] - (15.40):
okay??

[evan] - (15.41):
okay?...

[regulus] - (15.42):
yes, okay. severus only listens to logic and he won't want to hear it from us because we barley know anything about his father

james is the best chance we've got

[barty] - (15.43):
oh for fucks sake

if you're gonna speak to him do it next week because if you do it now he'll have more time to think about it and he'll pussy out

[james] - (15.43):
okay

[barty] - (15.44):
don't flirt with him

[james] - (15.45):

i wasn't going to

[barty] - (15.45):
be nice to him

i'm being really fucking serious we're still giving you and black that potion and if you even think about being mean to him i will seriously fuck you up

[regulus] - (15.46):
barty chill out

[james] - (15.46):

[peter pettigrew] - (16.13):
no way

[severus snape] - (16.13):
listen

he'll get mad at me or something

[peter pettigrew] - (16.14):
no he wouldn't

you could like kill his whole family and he wouldn't get mad at you

[severus snape] - (16.15):
did he say that to you?

[peter pettigrew] - (16.15):
probably

listen

just give me the general idea so i know i'm not like insane

[severus snape] - (16.16):
wait what do you mean?

[peter pettigrew] - (16.16):
idk

he always stares at me and makes these comments about how bad he wants me

we don't talk about it and allll i do is flirt with him and i feel like he doesn't get it

[severus snape] - (16.17):

[bart] - (16.56):
YEAH RIGHT IVE READ YOUR DIARY YOU LITTLE FREAK

[reg] - (16.56):
that's actually so fucked up barty

that's fine because i owl your dad on a daily basis and tell him that you're like so gay

[bart] - (16.57):
my dad fucking loves you

he wishes i were you

[reg] - (16.57):
don't work yourself up about it bart

[bart] - (16.57):
yeah you're right

[reg] - (16.58):

[barty] - (16.58):

[reg] - (16.59):
because you seem upset

please go see evan or remus

[bart] - (16.59):
i'll do you one better and go see severus

[reg] - (16.59):
yeah i doubt he wants to see your face

i definitely dont

[bart] - (17.00):
whatever

i miss you

[reg] - (17.00):
yeah i know

also it is so awkward in the dorms whenever potter and sev are in the same room jeez

i always just wanna get up and leave but i don't wanna leave him there

[bart] - (17.01):
no seriously

potter wants him so fucking bad i don't know how we didn't see it before

i hear jeff buckley whenever he looks at sev

it's so gross and in your face

how does sev even breathe with those eyes staring at him CONSTANTLY

whenever he does anything or says anything potter's head turns so fast

[reg] - (17.02):
i think sev kind of likes it

sirius is such an idiot how doesn't he know

it's so plainly obvious

[bart] - (17.03):
tbh no one knows about us and i think it's obvious

its because im super sneaky

[reg] - (17.03):
evan definitely knows

[bart] - (17.03):
you think?

[reg] - (17.03):
for sure

he always says he's thirdwheeling us

at least he has peter now

[bart] - (17.04):
oh they need to get their shit together

[reg] - (17.04):
who do you think is gonna make the first move

[bart] - (17.04):
no way it isn't peter

[reg] - (17.05):
yeah

for sure peter

and what's actually going on with grant like what are we doing

[bart] - (17.06):
i don't know

he's probably going to stay in remus' room

[reg] - (17.06):
in his bed? that'll work

sarcasm btw

[bart] - (17.07):
yeah i know

apparently dumbledore doesn't care

listen

i really like you peter but i can't really be around you if you're still messing with around with severus

[pat a cake] - (17.33):
you like me?

[bakers man] - (17.34):
that’s not the point

[pat a cake] - (17.35):
you *really* like me?

[bakers man] - (17.35):
i'm not joking around peter

you didn't tell me he'd be helping you with potions

[pat a cake] - (17.35):
i didn't think it was important

and im not messing around with him

[bakers man] - (17.35):
how is it not important?? he's my best mate

you used to take the piss out of him

[pat a cake] - (17.36):
i know that

[bakers man] - (17.36):
how do i know you won't do it again

[pat a cake] - (17.36):
are you joking?

[bakers man] - (17.37):
no im not joking peter not everything is a joke

i get that you weren't as hands on with it as the others but you still made fun of him

and you didn't apologise

[pat a cake] - (17.37):
remus told me not to

[bakers man] - (17.38):
yeah because it's a bit late now don't you think

[pat a cake] - (17.38):
not really

[bakers man] - (17.39):
what 'i'm sorry snape do my potions work' ?

[pat a cake] - (17.39):
i never asked him to do my potions work i asked for help

[bakers man] - (17.39):
when remus first started hanging out with us he apologised to severus so much the words 'i'm sorry' lost meaning all together. and you could tell he genuinely meant that shit.

you don't even feel a little bad peter.

if you did you would've said sorry way earlier or maybe you would've told your friends to shut the fuck up

you're only sorry when you want something from him

and i'm not going to risk it with you. i hope you can understand that.
read 17.33

[pat a cake] - (17:40):
you're right

[bakers man] - (17.40):
i know

[pat a cake] - (17.40):
i do always go along with what my friend do

i did bully snape

i should've apologised to him earlier and not when i wanted his help

i should've told you

but i really really like you evan

im really sorry for messing it up

i go about things the wrong way always but i really am sorry for it all

[bakers man] - (17.41):
you didn't mess it up.

per say

[pat a cake] - (17.42):
i know i fucked up

i think about it everyday

whenever i have a bad day i just think he must be having it so much fucking worse and i should grow up

[bakers man] - (17.42):
he would love to hear that actually, tell him that

where are you?

[pat a cake] - (17.43):
prefect bathroom

[bakers man] - (17.43):
you aren't a prefect though?

i don't even know why im questioning you

[pat a cake] - (17.44):
yeah honestly i was about to say

[barty] - (20.09):
i don't know why but i don't even wanna fucking know

[james potter] - (20.10):

[barty] - (20.10):
you know what it means.

[james potter] - (20.11):

[pandora] - (20.14):
when are we doing the prank?

what about tomorrow

[sirius black] - (20.14):
nope best to start it off on sunday night we'll put a little bit in his dessert so he just thinks he ate something bad then put a bunch in on monday lunch time because everyone will be there, he won't come in til maybe thursday or friday and we'll give it to him again then he'll be so fucking ruined.

[james potter] - (20.14):
okay you need help sirius

[barty] - (20.14):
i could've told you that potter

[remus] - (20.14):
right and how do you expect to actually get it in his food

[sirius black] - (20.14):
i assumed you'd figure that out

[remus] - (20.15):
typical

[severus snape] - (20.16):
so he'd just need to take the pills and he'd immediately relieve himself?

that's quite fascinating

he'd lose some weight too?

[grant chapman] - (20.17):
yeah see this is why i'm nervous about this i don't wanna kill the lad

[sirius black] - (20.17):
he'll be fine

remuss

come on

what's the worst that'll happen

[remus] - (20.18):

it'll be fine and if it isn't worst case scenario we blame grant

[grant chapman] - (20.19):
sorry what

[james potter] - (20.19):
he's kidding

we'd blame sirius obviously

[remus] - (20.19):
yeah 100% sirius

[barty] - (20.19):
i'm cool with blaming sirius

[regulus] - (20.20):

Chapter 22 (http://archiveofourown.org/works/67482441/chapters/186781461) : ft. pandora is cute

Summary:

filler chapter sorry guys

Notes:

also love to add that if regulus is crying a bunch it's because he doesn't have as thick skin as severus, remus or sirius. he hasn't really had to put up with his parents head on by himself because sirius was always there protecting him but it was like whiplash when he left so he still isn't really used to things not going his way or having to deal with such intense emotions. not trying to baby him or anything he's just a bit all over the place

(See the end of the chapter for more notes (#chapter_22_endnotes) .)

[severus] - (12.24):
you're my ex boyfriend that's bad enough.

does sirius know?

[james] - (12.24):
no but i'm gonna tell him soon

he's just got his own stuff going on at the moment

yeah evan he isn't a slice of bread

—

— private messaged between sirius black and barty crouch jr

[sirius] - (13.28):
i feel like sometimes you forget regulus is my brother and i literally grew up with him

[barty] - (13.28):
i grew up with him too

[sirius] - (13.29):
barley barty

you saw him at parties, at his most perfect

you didn't see the way he cried

[barty] - (13.29):

is that a joke?

you wanna know how i always know where you are?

because regulus used to memorise your whole timetable to make sure he never crossed paths with you in school

where you went to hang out, your classes, your friends classes, your habits like when you went to go play quidditch or went down to the kitchens or sneaking out with your friends

because you would just pretend he wasn't there and it broke him so bad he couldn't bare it

you had always been perfect in his eyes and he didn't want his view of you to be tainted

so don't tell me i haven't seen him cry don't make me fucking laugh

i would fucking die for him

[sirius] - (13.30):
i didn't mean to do all that

[barty] - (13.30):
doesn't matter

you still did

you know for someone who hates their parents you sure do have some fucking similarities

[sirius] - (13.35):
that isn't true

[barty] - (13.35):
oh yes it is

that's why you can't stand to look at your brother

probably reminds you of the way you looked at your parents

[sirius] - (13.36):
fuck you barty

[barty] - (13.36):
right back at you

you've probably never heard these words before but you aren't that good of a person

you need to change or you aren't getting anywhere near regulus

got it?

[sirius] - (13.37):
okay.

—

somethings going on with grant's family so he has to go home today

[padfeet] - (15.09):
oh?

i hope everything's alright

[moony] - (15.09):

might have to cancel

it'll be fine

i am very sure

okay

[reg] - (12.42):

[bart] - (12.42):

nothing like barty's good old cocoa on a cold evening

cocoa cocoa bean

[reg] - (12.43):
nvm i don't want it anymore.

[bart] - (12.43):
wanna know the secret ingredient?

[reg] - (12.44):

[reg] - (12.45):
i just feel like he was laughing at me

[bart] - (12.45):
no no he definitely wasn't

you're overthinking it

your brother laughs at everything it definitely wasn't you

he didn't evolve right he honestly can't help that he still has those ape like tendencies

[reg] - (12.45):
ignoring that

it definitely was me

i'm staying in my bed for 3 days straight

[bart] - (12.46):
like you could ever do that

you never even let me sleep in

[reg] - (12.46):

[reg] - (12.51):
you're a joke.

—

— private messages between peter pettigrew and evan rosier

[petey] - (12.30):
no

that isn't right either

it makes me sound like a baby

[evie] - (12.30):
i like petey

petey changed his name to peter

[evie] - (12.31):
also why the fuck is my name still evie

petey is so much better than evie

[peter] - (12.31):
if you ever call me petey im killing myself

[evie] - (12.32):
i better get right on it then

[peter] - (12.32):
your name is staying as evie

evie changed his name to evan

peter changed evan's name to e

[e] - (12.32):
CARRY ON.

peter changed e's name to e man

peter changed e man's name to captain e

captain e changed peter's name to peetah

[peetah] - (12.33):
that isn't really a nickname is it

[captain e] - (12.33):
it is because i say it is

peetah changed captain e's name to ev

[ev] - (12.34):
ev

its edgy

it's chic

i like it

ev changed peetah's name to daddy long legs

[daddy long legs] - (12.34):
i'm taking that as a compliment and moving on

[ev] - (12.34):
you should

anyway i was thinking yesterday about how the room is practically ours since xenophillius basically moved into pandora's

[daddy long legs] - (12.35):
wanna push the beds away and have a massive movie night

[ev] - (12.35):
yes

can we finally watch heretic

[daddy long legs] - (12.35):
yeah sure but i have religious trauma

[ev] - (12.36):

[daddy long legs] - (12.36):

[ev] - (12.36):
SHUT UP WITH THE JURASSIC PARK NO ONE IS WATCHING THAT

[daddy long legs] - (12.37):

[ev] - (12.37):

[daddy long legs] - (12.38):
YOU LEFT A FROZEN CINNAMON ROLL UNDER YOUR BED

why do you even need a frozen cinnamon roll

we're WIZARDS just transfigurate sometging

[ev] - (12.38):
you transfigurate your food?

you realise that's not not normal right

what do when you're hungry in detention you just think 'that pencil case looks delish'

[daddy long legs] - (12.39):
so you admit you were going to eat it

[ev] - (12.39):
it was an EXPERIMENT

[daddy long legs] - (12.39):
what exactly were you experimenting ev

oo that does have a nice ring to it

[ev] - (12.40):
nunya

[daddy long legs] - (12.40):
oh don't start

also why are we having a movie night on a monday

[ev] - (12.40):
because i really like you and i do everything you say

[daddy long legs] - (12.41):
fax

let's watch the meg please it's so funny

[ev] - (12.41):
you know how i feel about shark movies.

[daddy long legs] - (12.42):
yeah i know they misrepresent the real behaviour of sharks and are damaging and further pushing fake ideologies that will eventually cause mass extinction and completely wreck the eco system

also you don't want to give the industry money

[ev] - (12.43):
huh

we need to stop hanging out so much

[daddy long legs] - (12.43).
i fucking KNOW.
